Aditya Kumar Yadav

FULL STACK WEB DEVLOPER

I'm a motivated and detail-oriented Full Stack Web Developer with a strong foundation in web development technologies, eager to begin my career in the software industry. I recently completed my training/projects in MERN stack (MongoDB, Express.js, React.js, Node.js) and have built several full-stack applications as part of hands-on learning.

PROJECTS:

PORTFOLIO | Link

- Designed and developed a responsive personal portfolio to showcase projects, technical skills, and background as a full stack developer.
- Implemented modern UI/UX design principles, smooth scrolling, and interactive project cards for a professional user experience.
- Integrated a contact form with email functionality and deployed the site using GitHub Pages.
- Optimized for mobile and desktop platforms using responsive design techniques and media queries.

WEATHER APP | Link

- Developed a weather app using HTML, CSS, and JavaScript that fetches real-time data from a public weather API.
- Displays current weather conditions, temperature, humidity, and location-based forecasts.
- Implemented user input for city search and dynamic data rendering.
- Styled with responsive design for usability on mobile and desktop devices.

FITNESS METER | Link

- Built a full-stack fitness tracking application using MongoDB, Express.js, React, and Node.js.
- Users can log daily workout details and store physical activity data securely.
- Implemented weekly and monthly progress monitoring with intuitive UI.
- Integrated user authentication for secure login and personalized data access.
- Designed responsive front-end with React for seamless use on all devices.

TECHNICAL SKILLS:

- **Front-End Development:** html, css, javascript, react.js
- **Backend Development:** Node.js, Express.js
- **Programming Languages:** Python
- **Database Management:** DBMS, MongoDB
- **Tools & Platforms used :** Github, Vscode, Postman, Netlify, Vercel, Render

EDUCATION:

Bachelor of Technology
Goel Institute of Technology & Management
Lucknow (A.K.T.U)
(2022-26)   78.8%

Senior Secondary School Certificate
Police Modern School (C.B.S.E.)
 (2022)
                                          69%

Secondary School Certificate
Police Modern School (C.B.S.E.)
(2020)   67.6%

CERTIFICATES:

Earned certificate in "Data Science and a Journey to Cloud" from IBM .
- Covered basics of data science & cloud computing, for real-world applications by using these tools.

Received certification in "HTML, CSS, and Python" from LetsUpgrade .
- Gained hands-on experience in front-end web development and Python programming basics.

ACHIEVEMENTS:

Summer Internship – Mern Stack Developer

(Softpro India, Lucknow, SEPT-2024 to NOV-2024)

- Completed a structured internship focused on the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Developed hands-on web applications and RESTful APIs under the guidance of industry experts.
- Gained practical experience in frontend development using React and backend integration with Node.js and Express.
